

ANNUAL REPORT 2020

Foothill Unity Center, Inc.

HELPING PEOPLE. CHANGING LIVES.

EXECUTIVE DIRECTOR'S MESSAGE

A **BIG THANK YOU** TO OUR DONORS, SPONSORS, VOLUNTEERS AND SUPPORTERS WHO HAVE HELPED US MEET THE UNPRECEDENTED NEED CAUSED BY THE PANDEMIC.

Our job has always been to help local people in difficult times. But we never envisioned the level of challenge we would face in 2020.

I cannot express how proud I am of Foothill Unity Center and its multifaceted responses to the pandemic. Our team sprang into action overnight, pivoting the organization's resources, galvanizing staff and volunteers, coordinating community support, and addressing multiple crises head on. This level of response was given repeatedly throughout the year as we dealt with the every changing pandemic environment.

Even though the number of people needing our help grew threefold and we were faced with ever changing safety measures and fears, the Center never stopped its services to the community—in fact, we even added to them. We served 15,650 unduplicated low-income and unhoused individuals, reaching far beyond the targeted twelve cities we serve. 75% were new clients, accessing our services for the first time.

We provided over 288,023 services via our core programs of food, health, crisis case management, homeless and housing, and career development, three times the previous year. Those we serve, the low-income working poor and homeless were impacted the most. But this year it was your neighbor who never expected to need the help as well.

We also moved quickly to form new and enhanced partnerships to meet this surge in need. We:

- Developed a produce hub, bringing additional nutritious produce to our clients and to ten other pantries, increasing our outreach to the community
- Partnered with four local cities to use their Parks and Recreation staffs, keeping them employed and helping fill our loss of volunteer labor
- Coordinated with local restaurants to provide packaged meals for an increased number of homeless and homebound
- Enhanced the food pantry for backside families at Santa Anita Park
- Partnered with local businesses to use their staffs and vehicles for the surge in food delivery needs to the seniors and disabled forced to become homebound
- Provided COVID-19 testing, vaccines and protective supplies, and more

In 2021-2022 our theme is “Be the Heart of Hope.” Both years are projected to be unusually challenging in recovery as well. Now, more than ever, we need and are grateful for your dedicated support and partnership. Together we will continue to make a difference.

COVID-19 IMPACT

Due to the pandemic, we have experienced a strain on operational capacity and our staff, with decreases in volunteers to counter the exponential increases in our programs to address food insecurity and basic needs. We are grateful to our generous supporters and donors that made it all possible to meet the demands!

For over 40 Years, Foothill Unity Center has helped individuals and families in need with programs that focus on: Food, Health, Crisis Case Management, Job Development, Housing and Homeless services, supported by our Volunteer Program.

MISSION

We help neighbors in crisis attain self-sufficiency by partnering with the community and using our resources wisely to provide vital support services with love and dignity.

VISION

Foothill Unity Center, Inc., envisions a community where - All have their basic needs met, including the need to give - All get the necessary support to become self-sufficient - All are treated with love and dignity ... all the time.

HISTORY

Foothill Unity Center was founded in 1980 by Josephine Anderson in a borrowed church closet in Monrovia, California, to provide food to a few hungry families. Over the years the Center has become a major source of food, health services and crisis assistance for thousands of low-income families. In 1991, the Center was incorporated as a 501(c)(3) non-profit organization. In 2008 we were federally designated the Community Action Agency for the Foothill Area of Los Angeles County.

Helping During the Pandemic

COVID-19 IMPACT

Although 2020 was a challenging year due to the COVID-19 pandemic, Foothill Unity Center never closed its doors, and continued to provide essential support to neighbors in need. The Center was able to accommodate 3 times the number of services, as well as institute safety protocols, contactless food distributions, and provide additional COVID-19 resources. Our COVID-19 response efforts continue to help to address the needs of our most vulnerable population who suffer disproportionately from the effects of the crisis. While the impact of the pandemic has been incredibly challenging, we have expanded our programs and increased services to meet the needs of those seeking help.

JOHN'S STORY

John was able to receive ongoing assistance from Foothill Unity Center with getting back on track to help him with his critical healthcare and housing needs, and as a result he was able to meet the love of his life.

John received help with setting up all his medical appointments and arranging transportation through his medical insurance to and from his doctors' offices. He is currently undergoing treatment for lung, throat and colon cancer. John has expressed his gratitude to Foothill Unity Center for the help he has received navigating the healthcare system.

Foothill Unity Center was also able to find John permanent housing. Since then, he has found the love of his life at the apartment complex he is living in now and they will be getting married in July 2021.

Helping with Healthcare

Helping with Dental

IMPACT STORY

Grandparents brought in 3 grandchildren, ages 6, 9 and 11, who are living with them, to receive treatments at Foothill Unity Center's mobile dental clinic. They were able to receive x-rays, cleaning, and sealants. While there, the Grandfather was able to ask if the Grandmother, who also has Alzheimer's, could receive treatment as she has had tooth pain but many reasons prevented her from being able to receive the care she needed. She was also able to receive x-rays, cleaning, root canals for two of her front teeth and 3 fillings, thanks to the access to Foothill Unity Center's Health Program.

IMPACT STORY

Two seniors find comfort in a new friendship that provides a social network for each other after being permanently housed in the same building. One senior woman, who had lost her partner just prior to COVID-19 and without other family, found a permanent home thanks to Foothill Unity Center's Housing and Homeless Program. Access to the Center's Health Program enabled her to receive the critical assistance to manage her diabetes and vision problems while recovering from injuries from a car accident. She was grateful for the eye examination and specialized eye glasses she received. She also received personalized food boxes from the Center's Food Program to meet her dietary restrictions. A second woman, originally became homeless fleeing from domestic violence with no family support. These two seniors overcame their many challenges with some support and access to services, changing their lives.

OUR PROGRAMS

FOOD PROGRAM

Many neighbors in our community are one job loss or medical crisis away from food insecurity. Foothill Unity Center leads the fight against hunger and poor nutrition in the San Gabriel Foothills through our food distribution, community kitchen and nutrition education programs.

Includes emergency family food sized to last a week for those who have the means to refrigerate and cook food, plus bag lunches and hygiene kits for those experiencing homelessness food. For those unable to participate in our drive through distribution, such as our seniors, homebound, and disabled clients, we are able to deliver food boxes to them. Thanksgiving and Holiday Food Distributions are special events that are added to the food distribution.

The pandemic has created a hunger crisis. Currently over **15,500** individuals count on us to provide lifesaving food, over double than before the pandemic.

OUR EVENTS

BACK TO SCHOOL

Our Annual Back to school Event helped over 2,000 TK through college students of low income families prepare for the upcoming school year, proving them with backpacks, shoe vouchers and essential supplies for the upcoming school year. This past year we had a modified drive through event due to the pandemic.

PET CLINIC & FOOD BANK

Local pet shelters are overflowing because people struggling to survive cannot afford to feed or take care of their pet's healthcare needs. Our Pet Food Bank helps hundreds of families keep their beloved pets. Our primary care pet clinics with the Pasadena Humane Society are hosted several times a year. Clients are able to visit with a veterinarian, ask questions and receive care for their beloved pets.

MOBILE DENTAL CLINIC

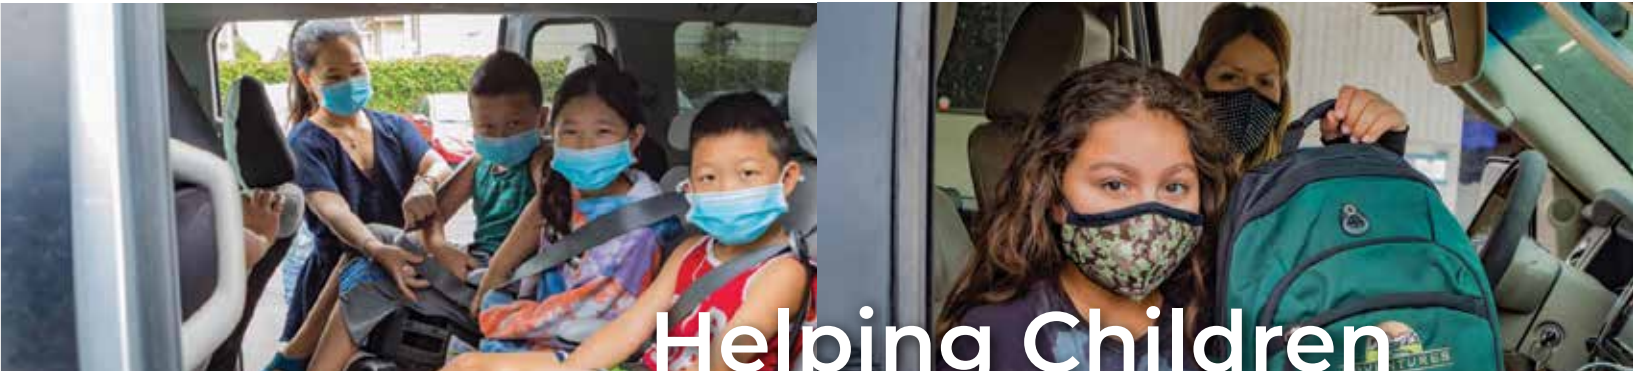

Our annual Mobile Dental Clinic in partnership with the Herman Ostrow School of Dentistry of USC, provided 82 pre-registered low-income and under insured children and adults with comprehensive dental treatments, preventative measures and education.

THANKSGIVING & HOLIDAY DISTRIBUTIONS

Our Annual Thanksgiving and Holiday Distributions help to make the Holiday season brighter for local children and families in need. Families receive huge holiday food boxes for both distributions events, as well as new toys and clothing for their children at our holiday event.
