

## **CARL FOOTE LEGACY AWARD HONOREE 2020**

Roberta Preskill

Roberta Preskill, clearly demonstrates the dedication and excellence that Carl set as a standard. Roberta has been a long time dedicated volunteer with Foothill Unity Center helping in many areas of the organization. She has been a tremendous asset in the Administration and Development Departments assisting with grant and fund cultivation. She also assists with data and information gathering needed for the grant and funding process. Additionally she assisted with the Client Services and Data Management departments to analyze data and review needed reports. She is also a committee member of the Back to School Committee managing the Shoe Card area.

Roberta freely shares her talent, time and skill with a genuine heart for the community and always keeps the heart of the organization's Mission in all that she does. She exemplifies the spirit of volunteerism and truly has a positive impact on our organization and the futures of the clients we served.

Roberta worked for many years as a program director in biotech product development. Since retiring, in addition to Foothill Unity Center, she volunteers as a Congressional liaison with the Citizens' Climate Lobby, a non-partisan organization that advocates for national policies and legislation to address climate change. Roberta has enjoyed 45-years of marriage to a Caltech theoretical physicist and parenting of two daughters, and now spends much enchanting time zooming with her two precious baby granddaughters.
