2021 NEIGHBORS HELPING NEIGHBORS BUSINESS AWARD **AIR-TRO, INC**

Bob Helbing and partners Jim Hunter, Tony Helbing, and Donn Capps at Air-Tro, Inc have stepped in to help Foothill Unity Center in crucial moments, especially during the COVID-19 crisis. Air-Tro, Inc truly dedicated their resources to helping Foothill Unity Center maintain services when both volunteers and resources were scarce due to the pandemic. They went above and beyond, offering not only vans for Foothill Unity Center's use, but also their staff to help where help was needed. Their generosity and selflessness is humbling and a reminder that the work Foothill Unity Center does is made possible by partners and individuals who believe in our mission of neighbors helping neighbors. It is an honor to recognize Air-Tro, Inc with our Neighbors Helping Neighbors Business Award.
