GOLDEN PLATE AWARDS

2021 NEIGHBORS HELPING NEIGHBORS YOUTH SERVICE AWARD **FRUIT 4 HOMELESS**

Fruit 4 Homeless was founded by youths, for youths. Started by brother and sister, Andre and Ashley Yeung, Fruit 4 Homeless offers youth volunteers the opportunity to pick fresh fruits and vegetables for the homeless and those in need. Their initiative, spirit, and growth as an organization is undeniable and worthy of recognition. As Ashley and Andre continue their education and expand their positive impact on the world, we are honored to recognize them and their organization as this year's Neighbors Helping Neighbors Youth Service Awardees. Fruit 4 Homeless and the many youths of our next generation who have found purpose in serving others through this organization are an excellent representation of the heart of hope.
