

# ANNUAL REPORT 2021

**Foothill Unity Center, Inc.**

HELPING PEOPLE. CHANGING LIVES.

# MESSAGE FROM OUR CEO TASHERA TAYLOR

WE ARE **TRULY GRATEFUL** FOR YOUR SUPPORT AS MORE PEOPLE ARE BEING PUSHED INTO POVERTY, HUNGER & HOMELESSNESS. WITH YOUR HELP WE ARE ABLE TO MEET THE OVERWHELMING DEMANDS FOR BASIC NEEDS.

My deepest gratitude to all our donors, partners, supporters, and volunteers for your unwavering support. Your generosity makes it possible for the Center to continue its vital work.

2021 was a challenging year due to the pandemic and the worst economic recession since the Great Depression. Within the Center's service area, an estimated 60,000 people live in poverty. Unemployment spiked last year and still remains around 10% locally. In our area, housing costs are three times the national average. Nearly a third of families in our communities pay more than half their income for rent. Many working poor families are struggling daily to not slip into homelessness.

The number of people affected by poverty and needing our help grew significantly. We were faced with ever-changing safety measures and fears. Through it all the

Center never closed its doors. We added new services such as COVID-19 testing, vaccinations, and provided masks and supplies. We provided seven times more food deliveries than pre-pandemic 2019. Our comprehensive range of services, Food, Health, Crisis Case Management, Housing/Homeless and Job Development, continue to provide a comprehensive safety net.

In these tumultuous times, we continue to rise with compassion to "Be the Heart of Hope" to our neighbors in need. This summer, Foothill Unity Center was honored and awarded "Non Profit of the Year-Heroes of the Pandemic" by Congresswoman Judy Chu.

Through the power of our community, team effort and generous donations from all our supporters, the Center will continue to make life-changing differences for neighbors in need. Together, we will stay true to our value of Neighbors Helping Neighbors.

## COVID-19 IMPACT

The pandemic has continued to cause a strain on our operational capacity. It has been challenging to meet the sharp increase in demand for services while working under these new constraints. Never-the-less our team continues to spring into action, pivoting resources, galvanizing staff and volunteers, coordinating community support, and addressing challenges head-on.

# NEIGHBORS HELPING NEIGHBORS

For over 40 Years, Foothill Unity Center has helped individuals and families in need with programs that focus on: Food, Health, Crisis Case Management, Job Development, Housing and Homeless services, supported by our Volunteer Program.

## MISSION

We help neighbors in crisis attain self-sufficiency by partnering with the community and using our resources wisely to provide vital support services with love and dignity.

## VISION

Foothill Unity Center, Inc., envisions a community where - All have their basic needs met, including the need to give - All get the necessary support to become self-sufficient - All are treated with love and dignity ... all the time.

## HISTORY

Foothill Unity Center was founded in 1980 by Josephine Anderson in a borrowed church closet in Monrovia, California, to provide food to a few hungry families. Over the years the Center has become a major source of food, health services and crisis assistance for thousands of low-income families. In 1991, the Center was incorporated as a 501(c)(3) non-profit organization. In 2008 we were federally designated the Community Action Agency for the Foothill Area of Los Angeles County.

## COMMUNITY ACTION PARTNER

As the Community Action Agency of the Foothills, Foothill Unity Center is the region's largest distributor of nutritious food to very low-income families. Food donations from our partners at the Los Angeles Regional Food Bank, local merchants, and non-profits, together with food purchased by the Center, fill a basic need in our community.

# AmeriCorps

## AMERICORPS VIP SUPERVISING ORGANIZATION

As a partner of CalSERVES, Foothill Unity Center functions as the Supervising Organization that oversees AmeriCorp VIP Fellows at the local level. Complex needs facing our local communities include education, employment, health access, housing, hunger, and wealth inequities. Fellows build capacity by providing support, skills and resources to not only address these needs, but to assure volunteers are successful as they provide service to the community.

## COMMITTED TO TRANSPARENCY AND ACCOUNTABILITY

Foothill Unity Center is proud to be recognized for our services and our impact on the community. We have received top ratings from charity watch dogs and positive reviews from the community. Accountability and transparency are important to us. Year after year we have been awarded with a five-star rating from Great Nonprofits as a top-rated charity, as well as the Platinum Seal of Transparency rating by Guidestar and the highest rating from Charity Navigator.

## HOW WE AFFECT CHANGE

### HOPE

**We are Helping People and Changing Lives!  
We are Interconnected, Compassionate and Committed!**

# COVID-19 Support

## COVID-19 IMPACT

Throughout 2021 Foothill Unity Center remained open and continued to provide vital services. Our pandemic response efforts continue to address the needs of our most vulnerable population who suffer disproportionately from this crisis. We have expanded our programs to increase our level of support. We have provided COVID testing, vaccinations, educational material as well as masks and supplies.

## YVETTE'S STORY

Foothill Unity Center has supported Yvette Spencer, "Grandma Spencer", in her journey towards economic and housing stability, and supported her multi-generational family in achieving security through access and education.

She and her husband were homeless for 3 years. The Center helped them apply for and receive permanent housing through section 8. Through the years she would receive food, dental and health services, school supplies, and holiday gifts for her grandkids.

Her grandkids are thriving, she was able to put two of them through college. She is grateful for all the opportunities she has through the center, grateful for always being treated with respect, and for the sense of community. She is excited about her future.

# Impacting generations

# Bringing Comfort

## ELAINE'S STORY

Elaine Iverson has a passion for making quilts and helping those in need. She has consistently donated quilts every month for over 2 years for our homebound and senior clients who wait eagerly for the next collection of warm blankets to arrive.

In her own words, "It is so special to see people appreciating the quilts, one mother said to me that her daughter won't go anywhere without her blanket [...] that really touched my heart. Seeing people find comfort in the quilts I make is what urges me to keep making them. There are so many people in need and a hand-made quilt can keep people warm and it gains so much more meaning along the way."

## JUSTENE'S STORY

Justene, mother of five, was chronically homeless since 2017, staying with friends, family, hotels, and shelters. In 2018 she was at Union Station shelter when she gave birth to her child in the dark.

In 2020, she found Foothill Unity Center and was assigned a social worker where she finally found a sense of community and care. She was placed in an extended stay, with a kitchen and fridge that gave them time to recover from the trauma of homelessness and she was able to save money and heal. She received behavioral health support, kids' school supplies and backpacks, clothes, food, holiday gifts for the kids, therapy, and step-by-step help applying for and receiving permanent housing through section 8.

In her own words "They made me feel as if it was my family taking care of me. My faith in humanity is seriously restored. You've given me this chance at life and offered me new cycles of healing that I never thought I would have."

## FOOD PROGRAM

Many neighbors in our community are one job loss or medical crisis away from food insecurity. Foothill Unity Center leads the fight against hunger and poor nutrition in the San Gabriel Foothills through our food distribution, community kitchen and nutrition education programs.

Includes food for a week for those who have the means to re-frigerate and cook food, plus bag lunches and hygiene kits for those experiencing homelessness. Food boxes are delivered to seniors, homebound, and disabled clients who cannot drive. Thanksgiving and Holiday Food Distributions are special events that are added to the food distribution.

We continue to be driven to improve the quality of our food and services. In 2021, after a year and a half of extensive training, our Center was awarded the title of Nutritious Food Pantry by LA Regional Foodbank.
