

46TH ANNUAL GOLDEN PLATE AWARDS
SEEDS OF HOPE
PLANTED BY OUR COMMUNITY HEROES

CARL FOOTE LEGACY AWARD

Angela Martinez

Assistant Vice President; Operations Support Lead II - Consumer & Small Business

I joined Bank of America in 2005 and have had the privilege of growing through a variety of roles—from starting as a frontline associate to now serving as the Operational Lead for our Glendale location, where I lead a team of over 200 employees. Throughout my career, I've been passionate about creating an environment where people can succeed and thrive.

Giving back to the community is something I truly value. I've encouraged and organized volunteer efforts for the Foothill Unity Center and partnered with organizations like Proyecto Pastoral, which provides critical support to families in need.

These experiences have been incredibly rewarding and remind me of the importance of service beyond the workplace.

Outside of work, I love traveling with my family and cherish every moment as a proud grandmother of three. Staying active is also a big part of my life—I work out regularly and have built many friendships through fitness.

In everything I do, I strive to work hard, support others, and make a positive impact both at work and in the community.
