

46TH ANNUAL GOLDEN PLATE AWARDS  
**SEEDS OF HOPE**  
PLANTED BY OUR COMMUNITY HEROES

## YOUTH SERVICE AWARD

### La Salle College Preparatory

Two of the taglines at La Salle College Preparatory are “Enter to Learn, Leave to Serve” and “Learn, Serve, Lead”. Service to those on the margins is a key component of a Lasallian education. At La Salle students do not have to complete a specific number of service hours in order to graduate, rather, service is infused in the life of the school. At La Salle, we provide service opportunities with agencies like Foothill Unity Center with the hopes of creating lifelong servers.

Since the fall of 2002 the entire senior class participates almost weekly in service during their religious studies class at a local agency. Since 2005 La Salle has been serving at both the Monrovia and Pasadena locations of Foothill Unity Center. This opportunity has given students the opportunity to see and serve those in need. Often our students have spoken with and listened to people share their stories. We are ever thankful for Foothill Unity to give us the chance to help the local community.
